

Product Name: PPF Edge

Description: The Autotriz PPF Edge is designed to save you time when installing paint protection. A variable adhesion level is given by Autotriz PPF Edge, giving you the ability to choose where you need more forgiving adhesion. With an increase of about 3x in tack, notoriously difficult curves and edges can be laid down with the first squeegee stroke. Saving you delivery time and cost, Autotriz PPF Edge virtually eliminates the "detailing" or "finishing" process at the end of each installation.

Directions: Ensure that the surface is clean and dry. Spray directly onto the edges of the installation area. Use squeegee to scrub on the edges and hold for a few seconds. Removes excess product with microfiber towel. Only apply the product to the areas where extra adhesion is required.

Precaution: Do not breathe dust/fume/gas/mist/vapors/spray. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands thoroughly after handling. KEEP OUT OF REACH OF CHILDREN.

First Aid: Eye Contact: Rinse cautiously with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. Skin Contact: Take off immediately all contaminated clothing. Rinse skin with water/shower for at least 15 minutes. Call a poison center or doctor if irritation develops or persists. Wash contaminated clothing before reuse. Ingestion: Rinse mouth. Do NOT induce vomiting. Immediately call a poison center or doctor. If vomiting occurs naturally, have victim lean forward to reduce the risk of aspiration. Never give anything by mouth to an unconscious person. Inhalation: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

Technical Data		General Data	
Flash Point	100°C	Product	PPF Edge
Appearance	Clear	Category	Surface Prep
Physical State	Liquid	Volume	4L (AT-PPF-ED- 4)
Odour	Sharp	Application	PPF Installation
Specified Gravity	0.98 g/cm ³	Storage	5-35°C/41-95°F
Hazard	Non-Hazardous
